

Theme: Invest in our planet

First held on April 22, 1970, it now includes a wide range of events coordinated globally by EarthDay.org (formerly Earth Day Network including 1 billion people in more than 193 countries).

The 52nd Earth Day 2022 is focused on accelerating solutions to combat our greatest threat, climate change, and to activate everyone – governments, citizens, and businesses – to do their part.

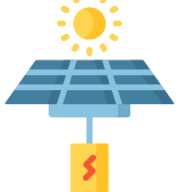

Few Do's for a Cooler Workplace

Act Now-There is no Planet B

Everyone accounted for, and everyone accountable
