

BIODIVERSITY DAY 22 MAY

Biodiversity Day 2022 slogan:
"Building a shared future for all life"

The United Nations has proclaimed May 22 The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. When first created by the Second Committee of the UN General Assembly in late 1993, 29 December (the date of entry into force of the Convention of Biological Diversity), was designated The International Day for Biological Diversity.

Few Actions for Biodiversity

- Clean up an area around you
- Plant (native) trees, shrubs and plants
- Save energy
- Buy biodiversity-friendly products
- Consume responsibly
- Minimize waste
- Change one habit that is negative for biodiversity
- Help animals, big and small
- Raise biodiversity awareness

Actions in building Biodiversity at EPTRI

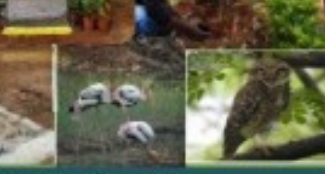

Campus Biodiversity

Awareness Programs

WCS friendly celebrations

Recent Ex-situ conservation of species at EPTRI campus

Holopternna ada kodien

Tacca leontopetaloides
