

22 MAY 2020
INTERNATIONAL DAY FOR
BIOLOGICAL DIVERSITY
 Our solutions are in nature

- ✓ Watershed management
- ✓ Plantation in catchment areas
- ✓ Reducing habitat exploitation
- ✓ Micro irrigation

- STOP**
- Habitat modification
 - Over exploitation
 - Plastic Pollution

- ✓ Cultivate Indigenous varieties
- ✓ Develop Seed Bank
- ✓ Organic farming

- STOP**
- Wastage Food
 - Avoid consumerism

- ✓ Proforestation
- ✓ Afforestation
- ✓ Prevent forest fire

- STOP**
- Cutting of trees
 - Industrialization
 - Urbanization

- ✓ Encourage Green Building
- ✓ Rainwater harvesting pits

- STOP**
- Urban heat
 - Pollution
 - GHG emissions

- ✓ Habitation improvement
- ✓ Protect from fire
- ✓ Conserve REET species

- STOP**
- Killing and poaching
 - Habitat degradation
 - Forest fires

- ✓ Protect and Preserve
- ✓ Dredging
- ✓ Weeding

- STOP**
- Over dumping
 - Uses of chemicals and pesticides
