

World Nature Conservation Day

28th July 2020

*On this World Nature Conservation Day,
Let us put an effort to protect the earth
and conserve the natural resources.*

Conserve water

Judicious use of water.
Practice rainwater harvesting
Stop food waste.

Reduce, Reuse, Recycle, Refuse, Recover and Rethink

Cut down on what you throw away.
Follow the six "R's" to conserve natural resources.

Volunteer

Volunteer for cleanups in your community.
Get involved in protecting your watershed, too.

Educate

Help others in understanding the importance and value of our natural resources.

Shop wisely

Say no to single use plastics.
Carry a reusable shopping bag.

Promote Plantation

Plants provide food, oxygen and help in combating climate change.
Let's plant and nurture a sapling.

Use long-lasting light bulbs.

Energy efficient light bulbs reduce greenhouse gas emissions. Also flip the light switch off when you leave the room!

Don't send toxics into our air & waterways

Choose non-toxic chemicals in the home and office.
